Dear Ms. Votava,

On behalf of the Boys & Girls Club of Spokane County's Board of Directors, staff and especially the youth of our community, I want to thank you for your donation to the Orange County Choppers Event. We truly appreciate your generosity and support of the Boys and Girls Club. It is only because of donations and support by concerned citizens like yourself that we are able to provide life-changing programs when children need them most, every day after school in the winter and all day Monday through Friday during the summer.

You are helping to make a positive difference in the lives of the young people of Spokane. Whenever you are in the area please stop by. It would be my pleasure to give you a tour of the facility and an opportunity to see, first hand, your donation dollars at work.

Thanks again for your generosity.

Sincerely,

Thank you for your support of the 9th Annual ***Golf Fore MS*** Tournament. Your donation of four tickets to the WSU vs. University of Idaho football game (9/9/06), to be used as prizes, helped make the tournament exciting and was much appreciated.

Every hour...of every day...someone is diagnosed with multiple sclerosis. Your support helps us provide programs and services for people with MS and their families in our community.

Dear KXLY Broadcast Team,

I want to personally thank you for allowing us to tour your facility yesterday for free. As members of the 1<sup>st</sup> Christian Church in Coeur d' Alene, it was a real thrill to experience some of the "behind the scenes" activities in the newscast and radio stations' rooms.

Our tour guide Stephanie was very helpful in answering some inquisitive questions about the production processes in linkage to the fascinating technologies-i.e. the Fujinon device. Also, the brief talk with Classy 99.9 Producer Jay Alan expanded our understanding to radio programming.

The idea pertained to involving the youth of the church and as a community outreach to other North Idahoans as well. Quite simply, it's healthy to learn something new and perhaps, we hope to do it again next year with more participants from this culturally enriched community.

Dear Mark,

Jennifer Simmons, Northern Quest Casino and MS Board member, asked us to forward the following information per her conversation with you. This is the same great tournament KXLY has been involved with in the past, although you may or may not have been the contact.

Thank you for your past involvement in the ***Golf Fore MS Tournament***. Your participation, sponsoring a hole and a team played a key role in the event's success. It's the ninth year for this great tournament benefiting the Inland Northwest Chapter of the National Multiple Sclerosis Society. We're hoping to have you on board again this year, August 11 at the Fairways. Hole sponsorship fee is \$300. Entry fee remains the same at \$75 per golfer.

In the past you have requested Hole #4. We will gladly hold the same for you until August 1<sup>st</sup>. Hole #4 is also the "Closest to the Pin – Women's" for which you have donated the prize (approximate value \$50.00). The prize is an option to the hole sponsorship.

Please find enclosed information on sponsorship opportunities and registering a team. Your support of this fundraising endeavor would be greatly appreciated. Every hour...of every day...someone is diagnosed with multiple sclerosis. All net proceeds from this event benefit people with MS and their families in our community and help in our mission to end the devastating effects of multiple sclerosis.

Thank you for considering a sponsorship and an afternoon of golf! If you have any questions, don't hesitate to call. We certainly hope to see you at this fun-filled event!

**KXLY and Sullivan Homes:**

Where do I begin? I am so overwhelmed. What you have done is simply amazing. I suspected that you might fix my deck but never in my imagination did I think of something so spectacular. It is absolutely beautiful. The privacy that you added makes it feel very relaxing and intimate. We all love how you lowered the deck and added the awning. Gilbert and I had discussed putting in French doors but obviously it wasn't a priority. They are wonderful.

If that wasn't enough, including a hot tub, installing a garage door and refrigerator, giving us a new lawn mower, adding a sport court, putting up trim around the windows, painting the side of the house, adding landscaping, and buying us a car was over the top. Your generosity is incredible.

Shere at Strata was so nice. I appreciate everything that she and the ladies did for me. I have received many compliments on my hair and make up.

It is very difficult to be on the receiving end of such elaborate gifts. Gilbert would not have been at a loss for words on camera like the girls and I were. He was the person that made the room come to life with his infectious laugh and smile. He would have loved everything that you did for us. To know that you are taking care of his family would have made him happy. How can I ever repay you or express my thanks in the enormity it deserves. All of you are special people for what you are doing for others.

The girls and I are truly grateful for everything. Please extend our gratitude to everyone involved.

Sincerely,

Kirstin:

The fifth annual Armed Forces & Aerospace Museum golf tourney was the best so far. We had 143 registered players (144 is max). One was a "no-show" Thursday morning. After a quick count, it appears we cleared just over \$10,000.00 for the museum. As a tee/green sponsor you played an important part in that.

We had two car dealers providing vehicles as hole in one prizes. One of our players almost had a hole in one. The tee shot stopped 3 inches short, dead to the hole. Our Board member that was monitoring that green thought sure it was going to go in.

Next years date is not determined as yet. We usually have it the third or fourth week in July to coincide with Skyfest. You can be assured I will be "knocking on your door".

Thank you for your support.

Dear Ms. Votava:

On behalf of the 2006 WSCPA-RMA Golf Tournament committee, we would like to thank you for your sponsorship this year. Once again, the tournament on May 25, 2006 sold out in seven (7) days. We are excited in the amount of interest shown by bankers, CPAs and related companies and seem to have found the keys to success. The committee has been diligent in their efforts to continue to improve this event, making it fun and worthwhile for the participants. Bankers and CPA's coming together for a day of golf, networking and fellowship. We not only try to provide a gift or prize to each player but we also raised funds to support two \$500.00 scholarships as well as a \$1,000 donation to Second Harvest Food Bank.

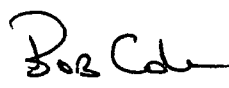

We know for a fact that we could not put together this event without your continued support. Your sponsorship was highlighted specific times during the event and multiple times via signage.

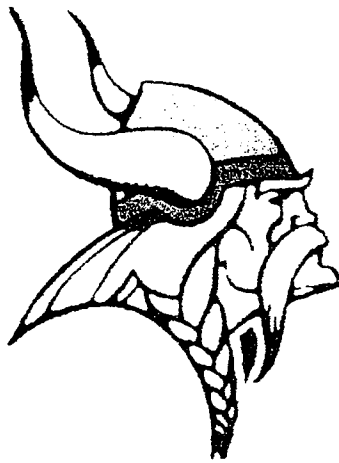

Again, we cannot thank you enough and hope you will be willing to sponsor again next year. Please, if you think of anything you would like to know or have suggestions, do not hesitate to call Lori Jo Knoles at (509) 953-6270.

Dear Kirstin and Friends,

Thank you for donations collected by KXLY-TV during our "What's for Lunch"/Yoke's food drive to benefit Second Harvest in the amount of \$4,672.00, which will help us put food on the table for our neighbors in need. We truly appreciate your compassion and generosity in the face of hunger.

Thanks to our broad base of community partnerships, your gift will be stretched a long way. We turn every \$1 you donate into \$10 worth of food—about five meals—for the 44,000 people who ask for help from our network of partner agencies each month.

We are honored by generous people like you who help us fight hunger and feed hope in our neighborhoods. Working together, we will make a difference.

Hey Kirk,

Keith and I, along with our wives, were able to get together and watch a recording of "Spokane's messiest garage" over the weekend. We were amazed how everything flowed together during the three and a half hour event. We received a lot of phone calls from friends and family after the event commenting on the show.

We would like to thank-you for the energy and enthusiasm you showed on camera. We would also like to thank-you for showing that same energy and enthusiasm while the camera was not rolling. Keith, Jerry and I had a great time on Thursday and it was a pleasure working with you and your crew (I believe there names were Jason and Ben).

Let us know if we can assist you and KXLY with any community/charity events in the future. Keith and I believe in supporting the community that supports us and as such, we are always willing to volunteer our time and services.

Cheers,

Jon

Dear Laura,

On behalf of Big Brothers Big Sisters of the Inland Northwest, I would like to thank your organization for its participation in our 2005-2006 School Based Mentoring Program. Because of KXLY employees, local children in-need now have hope and promise as a direct result of someone from your organization believing in them.

As the new school year approaches we look forward to your involvement in the School Based Mentoring Program and hope your support of this vital endeavor continues.

The best way to continue supporting this program is to recruit more employees as mentors. This is as easy as sending out an all-staff e-mail or inviting Big Brothers Big Sisters to speak at your office.

Additionally, as Big Brothers Big Sisters seeks to clarify roles between all parties, we have enclosed a Memorandum of Understanding for your organization to sign and return. The memorandum does not ask you to do anything more, but is simply a way to illuminate each partner's responsibilities.

It is great to know there are businesses in our community who are truly invested in providing little moments and big magic to children in Spokane. If you have any questions, or would like to arrange a presentation at your office, please feel free to call me at (509) 328-8312 ext. 40 or send an e-mail to [kobrien@bbbsspokane.org](mailto:kobrien@bbbsspokane.org).

Through the Urban Campership Fund, Young Life awards camperships to more than 6,000 disadvantaged kids each summer. These are kids living in communities where local support is difficult to raise. Would you be willing to give an extra gift, beyond your support for Young Life in your area, to help send a kid from one of these communities to camp? Thank you for considering this request.
